To whom it may concern:

I would like to take this time to recommend David Pillen for any positions that may be open within your organization. I have had the opportunity to get to know David during his time as a student-athlete here at Abilene Christian University and in his leadership within the ACU Student-Athlete Advisory Committee.

In addition to his responsibilities as a member of our nationally competitive football program, David has been extremely active with various organizations on our campus. He has served as President for both the ACU SAAC and Fellowship of Christian Athletes during his time at ACU. Under his leadership, ACU raised \$7908.34 to the Make-A-Wish Foundation® and NCAA Division II through the Lone Star Conference to help benefit Tatum Kate Flaming who was diagnosed with ALL Leukemia in July 2009, just a few months after her 3rd birthday. We have continued to see increased participation and interest in these two organizations thanks to David's passion and enthusiasm for reaching out and getting people involved.

.As an electronic media major here at ACU, David is also very gifted in the area of film creation and has worked on a number of projects to help further promote and market ACU and ACU Athletics. He has volunteered his time and talents to ACU Athletics, The Optimist (ACU school paper) and the Lone Star Conference in creating videos, documentaries, commercials and other quality electronic media content that we use regularly to help tell the story of ACU Athletics.

David is extremely passionate, personable and driven and will do an outstanding job in whatever field he sets out to serve in. Thank you for your consideration of David Pillen and should you have further questions please feel free to call me at the number listed below.

Thanks,

**Jared Mosley**  
Director of Athletics
