To Whom It May Concern:

This letter is in support of David Pillen, student-athlete from Abilene Christian University, who has applied for the NCAA Postgraduate Internship Program for 2012-13.

David has been a member of the NCAA Division II Student-Athlete Advisory Committee (SAAC) since February 2010. From the beginning, David has shown himself to be a leader with this important governance group. The committee has relied on David to speak on its behalf, and he has the respect and credibility of the NCAA Division II Presidents Council and Management Council.

David majored in journalism and mass communications at Abilene Christian University and during his term on the Division II SAAC, he has put his skills to use, working diligently to assist with the Division II strategic communications plan. Additionally, David has taken the skills he has learned with the National Division II SAAC and applied them at the conference level with the Lone Star Conference. I have heard from the commissioner, Stan Wagon, that David has provided great support for their initiatives.

I have found David to be a reliable, hard worker. I recommend him highly for one of the Postgraduate Internships.

Sincerely,

A handwritten signature in black ink that reads "Mike L. Racy".
